

Lyndon Outing Club Rental Contract – COVID addendum

This addendum to the LOC rental contract assures that the renter will follow all State of Vermont guidance for safe lodge use during the COVID-19 pandemic. Guidance is posted at: <https://accd.vermont.gov/covid-19/> And is updated weekly on Tuesdays.

Renter agrees to the following:

1. To provide an accurate count of the number of people expected to attend any event for which the lodge will be used.
2. To adhere to the indoor capacity limits as set by fire code and COVID restrictions, which can be found at the website above.
3. To conduct contact tracing at the time of the event and secure an attestation that guests have followed the required quarantine protocols, especially for any event attendees who have traveled from out of state. Renter will obtain names and contact information for all attendees at the event. This information is to be kept by the renter for a period of 30 days and must be made available to the State at their request. Renter acknowledges that the neither the Lyndon Outing Club and its members, nor the Town of Lyndon are responsible for contract tracing of guests during the rental period.
4. To update the LOC if number of guests changes prior to the event and to adjust rental contract as needed.
5. To follow all required protocols about indoor use of a facility, including, but not limited to appropriate social distancing, mask wearing if less than six feet apart, and disinfecting protocols.
6. To notify the LOC no less than 24 hours prior to the event if cancellation is desired/needed due to COVID restrictions changing. A full refund will be given if event has to be canceled due to COVID restrictions.
